ERIC

Here is a note from Frank Wilkinson about another coin from the Newcomb collection.

By the way, did you ever locate the inventory lists of the Dr. Hall and Virgil Brand half cents and the sale sheets from Burdette G. Johnson about which Frank wrote me in July?

RT.

My job is about to end (barring something happening in the next week) by 8/30. So, I've been focusing on finding another job. The job search is going well.

The only ~~ethic~~ coin you own I can definitely say was in the HRN coll is the 1811 w. the 4 ★ breaks.

Here is the error you bought nearly 2 years ago

Best regards,

Grant
